PROJECT FUN FOR WHOLE DAY CHILDREN

Language of Instruction: English

Our Kindergarten provides a whole-day summer program. By using a project approach, children can build up their English communication skills. It also allows them to develop their problem-solving skills and be creative. Most importantly, the children enjoy the project approach and have fun learning many skills this summer! **(For our UN, Bunnies, Deer & LK students only)**

FUN WITH TAKEWONDO

Hong Kong Taekwondo Development Scheme

태권도

Language of Instruction:
Cantonese supplemented with Korean

This Taekwondo programme enriches children with the spirit of Taekwondo and provides a strong foundation for character building. Children are encouraged to progress through the belt system: white, yellow, green, blue, red and black so they can mature physically and spiritually. Examinations will be organized for the children around once per year (subject to the child's progress). This programme is well-structured and well-recognized so that the children can bridge up to other Taekwondo classes in the future even when they graduate from Kindergarten.

FUN WITH SCIENCE EXPLORATION

Language of Instruction: Cantonese

Joint programme with Hands On Science Outreach (HOSO)

Students with attendance of 80% or above will receive certificate

Our selected science courses will be aimed to broaden the horizons and stimulate “science in your life” awareness to the children.

The children will learn through fun and active involvement in experiments, games and projects. There are hands-on materials that are used in every class.

Summer Camp Theme: Optrix

Ignite curiosity with dazzling light experiments. Projecting shapes are on the wall to see shadows. Create new colours with cellophane filters.

Explore reflective surfaces and see if rainbow colours reflect.
